Curtiss-Wright EST Group hereby certifies that the materials/items/equipment listed herein were manufactured, sampled, and inspected under our controlled Quality Management System registered to ISO-9001:2015. This document further certifies that listed equipment/service/materials are of the quality specified and conform in all respects with the listed customer purchase order requirements, including specifications, packaging, marking requirements, and physical item identification. Furthermore, all documentation required by the purchase order is accurate, complete, true and is included herein.

We are committed to complying with the OECD Due Diligence Guidance for Responsible Supply Chains of Minerals from Conflict-Affected and High-Risk Areas, as well as Section 1502 of the Dodd-Frank Act.

During manufacturing, testing and inspection, the items listed did not come in contact with mercury or any of its compounds.

This document shall not be reproduced, except in full, without the prior authorization of EST Group, Quality Assurance.
