

DYK #5: Rep Reports

Did You Know... that our EST Group Monthly Representative Reports (Rep Reports for short) are being redesigned? The new and improved Rep Reports will be coming out soon and have more and better streamlined information to help you track your sales and progress!

Here are a few of the benefits you'll notice with the new Rep Reports:

- Simplified reporting structure
- Side-by-side information tracking to view progress at a glance
- CRM Opportunity / Quote detail added for viewing ease
- Streamlined Booking and Sales information

Information is power, and these new Rep Reports are designed to arm you with easier to digest and improved information. Attached is an example, although your individual one may look slightly different. We're confident you'll find the new formatting both easier to digest, more informative, and more visually streamlined. Please see the attached file for a preview of what the new Rep Reports will look like. Stay on the lookout as they're coming soon, and as always, stay hungry!
