# Quick Reference: Sharing Posts on LinkedIn

1. Locate post you want to Share

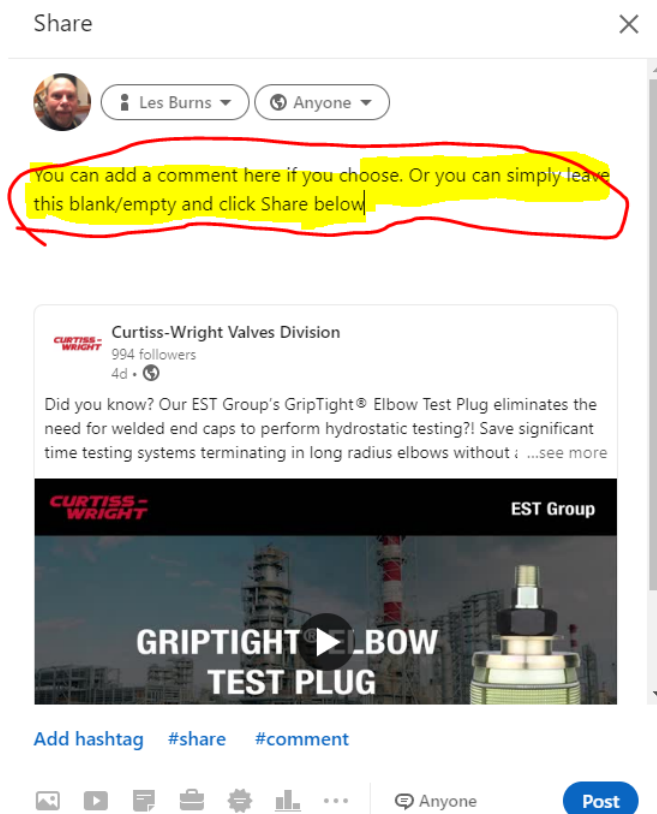

2. Click the **"Share"** button at base of post.

3. A pop-up window will appear with the post.

4. At the top of the pop-up window, you can choose whether to add your own comment about the post, or you can simply leave this blank.

5. You can also choose with whom to share the post (toggle options at top of window). The default is "Anyone". Options include Anyone + Twitter, Connections only and Group Members.

6. Once you've added a comment (optional), click the **"Post"** button at the bottom of the pop-up window.

7. **That's it!** Let the Likes, Shares, and Comments begin!
