

Battery-Operated Smart Ram 640T

Install Pop-A-Plug® Tube Plugs with Ease!

New! Smart Ram 640T allows operators to quickly perform heat exchanger tube repairs without significant setup or breakdown time. Self-contained battery-operated hydraulic unit provides reliable installation of heat exchanger tube plugs. Long-lasting 18v/3.0Ah Lithium-ion battery allows for cordless operation in remote and close quarters environments without the need for electric or plant air connection.
